DUKE UNIVERSITY, DURHAM, N. C.

Saturday, December 6, 1958
2:00 p.m.

Eighth
meeting

PROGRAM

- 2:00 Business Meeting
Annual Election of Officers
- 2:30 Lecture -- "Life History and Habits of Odostomia."
Dr. Harry W. Wells
- 2:30 Talk for Junior Members and Beginners
"North Carolina Shells" G. S. Turner
- 3:15 Informal Session
Inspection of Exhibits, Shell Exchange, etc.

It is hoped arrangements can be made to visit an outstanding collection of shells in Durham.

Members are invited to exhibit any thing of interest and to bring shells for exchange.

THE PUBLIC IS INVITED TO ATTEND THIS MEETING.

25

FLASH FROM SANTA!

Dr. B. W. Fassett has invited the membership to view his famous shell collection. The group will leave in a body from the Biology Building after the first part of the program

In case you should get lost from the group, Dr. Fassett's home address is:

303 Watts Street
Durham, N. C.
