### SATURDAY BOAT TRIP TO PORTSMOUTH ISLAND

As noted in the last Newsletter, we are **definitely** planning for a trip from Ocracoke, across the Ocracoke Inlet, to the Portsmouth end of the Cape Lookout National Seashore. The only deterrent would be that the Goddess of Weather would not smile on us and causes the water in the Inlet to be too rough to make the crossing. But, we won't even allow ourselves (being May) to think of that possibility. You should plan to go just to experience the area and what remains of "the Village", all now owned by the US National Park Service.

Established in 1753, Portsmouth grew to be the largest settlement on the Outer Banks by 1770 and by 1860 reached an all-time high of 685 residents. From there it was "downhill" . . . . Civil War economic and political interferences, later storms, shoaling of the Inlet, pestilences, etc. By 1956 the population was down to 17 and in 1971 the last 2 residents moved to the "mainland". While there are still a few buildings standing (the Methodist Church and one of the Government-owned residences are open to the public), it is truly a "ghost town".

But, if you do join the trip (and we hope that you do), you must be made well aware of a few drawbacks. There are mosquitoes, the weather might turn to windy rain, public facilities are almost non-existent and there is very little shelter from the sun. Bring insect repellent, adequate clothing, a hat and sturdy walking shoes. Swimming is discouraged. **contd....**

## SATURDAY BOAT TRIP TO PORTSMOUTH ISLAND (continued)

The round-trip cost will be just **\$15** each and we ask that everyone planning to make the trip send this amount to the President by **May 15th**. But, be assured that if you cannot go or if the trip must be cancelled, you will receive a full refund. We ask for the deposit as the "Captain" must make arrangements for several boats to take us over and back and we believe that a deposit is only fair to show the "Cap'n" our serious interest. To get a "feel" for the Club's interest, we had a "sign-up" sheet at the March meeting and had 18 people add their names, almost half of those attending the weekend meeting ! So . . . . our plans are "GO" ! The Editor and the Prez have been to Portsmouth several times and will be glad to answer any of your questions . . . just write or call. But, whatever, **do send in your \$15 by 15 May !** Thanks !

## REFRESHMENTS FOR THE OCRACOKE MEETINGS

As there are only a couple of Ocracoke "natives" who are members of the Club, and we have been asking "natives" to help with the refreshments, the Prez is asking a **few** Ocracoke "visitors" who easily can, to bring **moderate** amounts of refreshments for the two meetings. On a "sign-up" sheet at the March meeting, five volunteered. If you would be anxious to join this group, please give the Editor a call (1-919/493-6527) so that she can coordinate the variety and limit the quantities. Many thanks !

## ENTHUSIASTIC AND WARM CONGRATULATIONS TO OUR NEW LIFE MEMBER .... ALTA VAN LANDINGHAM !

Those of you who missed the March meeting missed the feature event, the unanimous induction of **Alta VanLandingham** as only our **6th Life Member** ! The nomination was made by Vice President Dean Weber and here are excerpts from his very well done testimonial . . . .

"I nominate Alta VanLandingham for Life Membership in our Club. In her 18 years with us, she has given unselfish and outstanding service in many ways. She has been our Treasurer, our COA Representative, the Editor of our Newsletter and at least one issue of the North Carolina Shell Bulletin, "wrangler" of our membership/mailling list, coordinator of workshops and a longtime contributor of worthwhile and entertaining pieces to the Newsletter.

"Alta has given us many excellent programs over the years and continues to do so. She brings credit to the Club by sharing those programs and herself with other clubs. A major contribution has been her wonderful leadership of our Shell Shows over a period of many years.

"Alta has always given an outstanding performance whether as a leader or as a person working behind the scenes and she is willing to make any sacrifice for the Club. She is service-dedicated, hard working, lively, energetic and personable. Her outstanding characteristic is, however, her generosity. She freely shares her knowledge, which is considerable.

"As a recipient of her assistance in many forms, I am delighted to make Alta's nomination and suggest to you that she is our **finest** and more than worthy of the honor." **Hear, hear !**

## LIFE MEMBERS / HONORARY MEMBERS

After discussions at the last couple of meetings and resultant confusion over "Life" versus "Honorary" Membership, both Member-At-Large **Janet Truckner** and new Life Member **Alta** have advised the Editor on the separation of the classifications and "who" is "which". Alta advises, and Janet seems to confirm, that an "honorary" member is worthy of our recognition in having gained some measure of fame in a field allied to malacology but not a member of our Club or even, perhaps, interested in "seashells". The "life" member, as we have firmed up with the passage last year of a specific set of guidelines, is deserving of the honor as one of the strongest **pillars/motivators** of our Club. Janet's research divulged that **Life Membership** has been bestowed by the Club on just **six**: Rev Scott Turner, Mrs J E (Sada) Rice, Dr John Ferguson, Mrs Lucy Piper, Dr Hugh Porter and, as of 23 March 1991, Alta. Janet's research also found these **six** reported as **Honorary Members**: Dr A F Chestnut, Mr Moncie Daniels, Mr Doyle Howard, Dr Robert Menzies, Mr I H O'Hanlon and Mr Odell Williamson. Many thanks to Janet and Alta for their efforts ! If anyone has anything to add to these findings, for future Newsletters, please get in touch with the Editor.

## CLUB FINANCES / DUES INCREASE

The President really regrets that more members were not able to attend the March meeting at Beaufort to learn of, and get involved in the discussion of, the critical decline in the Club's treasury. The Prez does appreciate those at the meeting who did "speak up". At that meeting, we laid the groundwork for a vote at the May meeting on raising our dues to ..... **\$10 per year for singles and \$12 per year for families.** If approved, the new rates would start "right away" for new members and in 1992 for present members. The raise was motioned and seconded in March but, before the vote in May, there will be an opportunity for further discussion if you wish. **But ..... please be there !**

## RUBBER SHELL STAMPS

(Now what-the-heck is the Editor talking about ? Rubber shells ? Rubber stamps for mailings ? Stamps depicting shells ?) Here's the lowdown: Our amiable and hard working Greeter-Registrar-Doorprizeticketpicker-Etc **Neal Schey** is interested in ordering rubber stamps with shell designs for herself and others. She has found that, with a small quantity order, these can be had in the neighborhood of \$5.00. She has four stock designs to choose from, ranging in size from about 1-3/8" (wentletrap) to 3" (whelk), but she says that combinations of these on a single stamp or special designs can be had with multiple orders. Neal cannot get to the May meeting (a family wedding will take her elsewhere) but, if you are interested, please drop Neal a line (218 Chimney Lane, Wilmington 28409) or call her at 1-919/395-1280. She, and the Editor, thank you.

## SIZE OF THE NEWSLETTER

One of the economy moves agreed to at the March meeting was the "mandate" to the Editor to limit the Newsletter to 8 pages (4 sheets of paper front-and-back) to hold down printing costs and limit the mailing cost for each to a single 1st Class stamp (now up to 29¢). Along with this, however, there was general agreement to re-issue with this Newsletter a **revised membership list**, inasmuch as there have been so many changes since its last publication with the October 1990 Newsletter. Thus, this Newsletter (as such) will be 4 pages and the membership list also 4 pages. We expect to resume the 8-page Newsletter with the issue in late July or early August for the Fall meeting (September 13th/14th at the Pine Knoll Shores Aquarium). One of the casualties of the current shortening will be Alta's latest quiz, enjoyed by all at the March meeting; it was so worthwhile that the Editor decided that it had to be included in a newsletter for **all** members, with the answers in a following edition. You can look forward to the quiz in the next Newsletter. (Incidentally, if anyone cares, the winner at the March meeting was **Dean Weber**, who missed **only 2** out of 25 questions ..... something "fishy" here !) Seriously, remarkable performance, Mr VP !

## VARIOUS NOTEWORTHY ITEMS

- Continued **thanks** to **Nell and Scott Uzzell** for marshalling the drinks at our meetings; to **Neal Schey** for minding the entry desk and greeting all comers; to **Dean Weber** for a **fine and steady** flow of interesting programs (the present Prez knows that this is a **tough** job); to **all** who contributed so many interesting and valuable door prizes; to **all** who attended the March meeting (although we should have had triple the number); and to **all** who brought Saturday "finds" to the meeting (picking just one was another difficult decision) !
- Congratulations to **Dean and Dorothy Weber** for their continued participation in the **Senior Games** in Wilmington (Dean is President of the organization). The Games include not only the strenuous stuff that Dean "Fleet Feet" Weber wins at but various creative arts that Dottie enjoys and wins with.
- Congratulations to Immediate Past Prez **Walt Wenzel** for spreading his considerable shell knowledge to others by giving (free) demonstrations and talks at the PKS Aquarium.
- As we go to press, we hear that the Harkers Island Ferry has started up again with a new larger boat (47-footer holding up to 49 persons); cost will be \$12 each. More later.
- Mother-daughter "caretakers" have signed up for a 3-month stint at the Cape Lookout Light-house ..... Mrs Edna Moss and daughter Mrs Demaris ("of the sea" ?) Anderson of Atlanta.
